**As we work together to ensure the safety of everyone in our communities, some of our collection site locations have been required to restrict or suspend services in order to adhere to the social distancing measures put in place by their local government agencies. As states begin to relax their distancing standards, First Advantage recommends all individuals arriving at a service location wear a mask or facial covering per Centers for Disease Control and Prevention (CDC) guidelines when visiting a facility in person. Please be advised that a mask or facial covering may be required at certain locations and services may be refused for noncompliance (collection sites may not have masks available to provide). It is recommended that you call the collection site location prior to arrival to confirm both hours of operation and service availability. If you find that you need to locate a different collection site, please call First Advantage at 888-695-3465.**
